

The fastest way to sign up is through the American Heart Association's website at www.onlineaha.org. At the bottom of the page click "FIND A TRAINING CENTER."

This will bring you to a search screen. Select "Search Training Centers" and type in Chatham, IL and click the magnifying glass. Now click the "Details" button next to Chatham Fire Protection District.

This will bring up a listing of all classes registered under this training center. Community CPR classes will be listed as Heartsaver CPR AED or Heartsaver First AID. Any other class listed is for medical professionals only. Click "Heartsaver CPR AED" or "Heartsaver First AID".

A screen will pull up with additional information about the class. Classes have a limited number of seats which can be seen here. Note that some classes may be held at a location other than the firehouse. Click “RESERVE”.
